## This Ice Box Saves You Money

Big ice bills indicate a poorly constructed ice-box. More than that, they indicate that unless you continually feed ice, you waste money in food and risk the health of the family by not properly protecting the food in warm weather.

The ice-boxes we will show you are built to last for years and give perfect service. Their construction makes the ice last longer, and a low temperature is maintained in the food chambers constantly. They actually save you their cost many times over.

## More Home to the House

That's what AEROLUX PORCH SHADES give you. All the family will enjoy your porch if it is transformed into a secluded, homelike, out-door living room, sheltered from the summer sun, an ideal outdoor sleeping room on summer nights.

## AEROLUX NO WHIP PORCH SHADES

come in sizes to fit and completely fill any porch opening, and are easily and quickly put in place. They are furnished in several grades and finishes and come in a variety of pleasing colors, which harmonize with any style of architecture. The NO-WHIP ATTACHMENT makes it unnecessary to roll them up at night, as they cannot whip in the wind. Furnished, when so ordered, with ADJUSTABLE HANGING ATTACHMENTS to drop from top as well as roll up from bottom.

Drop in and see them for yourself, or phone for our man to call with sample and take measurements. We also handle AEROLUX AWNINGS, which beautify any residence, and which do not absorb and hold heat as canvas awnings do.
